

## Key Features

- Built-in 50-Megapixel camera with 4x digital zooming
- Automatically focus framing on narrator through voice tracking
- 8-array microphone delivers exceptional audio clarity and voice pickup
- EDLA certified for seamless Google app access on Android™ 14
- USB-C port enables fast data transfer and power delivery

## Product Description

Collaborate with ease using the ViewSonic IN21C Series, all-in-one interactive display, available in sizes from 65" to 86" to suit any setup. Featuring 4K UHD resolution, a 50MP camera with 4x digital zoom, auto-framing, and voice tracking, it delivers exceptional visual clarity for hybrid classes and remote meetings. Eight beamforming microphones cover up to 8 meters for crystal-clear audio. Bonding technology enhances color, contrast, and reduces glare, while the 50-point Ultra Fine Touch screen provides a smooth, pen-on-paper writing experience. Built-in speakers and USB-C connectivity streamline BYOM, letting your laptop drive presentations and calls with a single cable.
